Politique de confidentialité de 4shared

Last Revised: May 15, 2024

This privacy policy ("Policy") explains how information you provide to us is collected, used and disclosed by 4shared ("we" or "us") with respect to your access and use of 4shared's online file storage and sharing service located at www.4shared.com (https://www.4shared.com), (the "Service") and our mobile applications ("Apps" or "App"), collectively, our Digital Properties, so you can make an informed decision about using the Service.

We reserve the right to change the provisions of this Policy at any time. We will alert you that changes have been made by indicating on this Policy the date it was last updated. We encourage you to review this Policy from time to time to make sure that you understand how any information you provide to us or collected about you will be used.

1. Personal Data Collection and Use

1.1. Data You Choose to Provide to Us

4shared collects Personal Data during your registration at our Digital Properties, when you choose to provide it, such as your name and email address.

The decision to provide such data is optional. However, if you choose not to register or provide this data, you may not be able to access certain features or services available within our Digital Properties.

Your consent to the collection and use of Personal Data will be logged by us.

In addition, you can voluntarily provide us with additional data in forms as part of the registration process. The voluntary provision of this data is a consent to the use of the data.

4shared may use the Personal Data you choose to provide to us to operate and improve our Digital Properties, such as to provide notices about our Website, Services and Apps, process your Service inquiries, and request customer feedback.

4shared may also use such Personal Data to send you the information regarding new Products, Services or features available within our Digital Properties; solely in accordance with your granted permissions.

You may unsubscribe from our newsletters and marketing emails anytime.

For further info about your consent withdrawal and other opt-out options, please refer to "Your Choice and Control" section of this Privacy Policy, below.

1.2. Personal Data Obtained from the Use of our Digital Properties

We may also collect additional data through our Digital Properties that may include (a combination of) Personal Data elements, such as:

- Location information & IP address
- Device information such as browser type, mobile device type and identifier, screen resolution, operating system, and device Advertising ID
- Log information such as the date and time of a visit or use of Digital Properties, pages visited on this Service and areas accessed in the App, time spent viewing the Digital Properties, and return visits to the Digital Properties, your 4shared account ID, and your 4shared account activity.
- Wireless Network usage information including, but not limited to, network performance, network usage details of mobile applications, mobile identity, precise location, and network access point identifier. Such data shall be collected and shared with non-affiliates only in accordance with DAA Principles.
- Aggregated information as you and others browse and use our Digital Properties.

Such Personal data is collected and stored in the pseudonymized manner and can not be attributed separately to identify or reveal a natural person's individual identity.

The collected Personal Data may be used for such purposes as:

- To respond to your inquiries and requests.
- To operate our Digital Properties and improve your experience.
- To identify or repel possible threats to Digital Properties security.
- To conduct research about Digital Properties usage.
- For advertising purposes in order to deliver the most relevant ads to you.
- To plan and evaluate wireless networks.
- To analyze aggregate consumer trends.
- To conduct cybersecurity research.

1.3. Personal Data Obtained from Other Sources

4shared allows you to sign up and log in using your Facebook, Twitter or Google accounts.

a. Facebook

If you sign up using Facebook, Facebook will ask your permission to share certain information from your Facebook account with 4shared. This information is collected by Facebook and is provided to us under the Terms of Facebook Data Policy.

For more details, please visit: https://www.facebook.com/about/privacy (https://www.facebook.com/about/privacy).

b. Twitter

If you sign up using Twitter, Twitter will ask your permission to share certain information from your Twitter account with 4shared. This information is collected by Twitter and is provided to us under the Terms of Twitter Privacy Policy.

For more details, please visit: https://twitter.com/privacy (https://twitter.com/privacy).

c. Google

If you sign up using Google, Google will ask your permission to share certain information from your Google account with 4shared. This information is collected by Google and is provided to us under the Terms of Google Privacy Policy.

For more details, please visit: https://policies.google.com/privacy (https://policies.google.com/privacy).

2. Use of Cookies and Similar Technology

We may also automatically collect certain Personal Data through the use of cookies, beacons and other similar technology to collect aggregated statistics related to the use of our Apps and Services and improve the performance of our Digital Properties.

a. Service provision cookies

While you are visiting the Website, our web servers for the operation of the Service temporarily collect general technical information, in particular about the software and hardware you use, the IP address of the requesting computer, which websites you have visited and when, and the Duration of your visit.

We use such service provision cookie technology to help you navigate our Website and enhance your experience with our Services and features.

Such cookie technology is non-privacy intrusive, as the collected data has no personal reference to you.

In case of a user login, however, we set a cookie, which then remains stored to enable automatic login (permanent cookie).

b. Service performance cookies

We may use third-party analytics and research services, such as Google Analytics to better understand how visitors interact with our Digital Properties, e.g. collect data such as where visitors came from, what actions they took, and where visitors went when they left Digital Properties.

This data is collected and stored in the pseudonymized manner and can not be attributed separately to identify or reveal a natural person's individual identity.

We use this information to improve your experience when visiting our Digital Properties. We may also work with other partners to conduct research surveys in order to improve the user experience on our Digital Properties.

For more information on data collection via Google Analytics cookie technology, please refer to Google Analytics privacy practices: https://support.google.com/analytics/answer/6004245 (https://support.google.com/analytics/answer/6004245).

For details on how to opt out of cookies, please refer to "Your Choice and Control" section of this Privacy Policy, below.

3. Disclosure of Personal Data to Third Parties, Onward Transfer

We may share (a combination of) Personal Data elements with:

a. Third-party service providers

We may share your Personal Data with third-party service providers who may assist us in responding to your inquiries or requests, or otherwise perform some business or operational function for us.

We require that such third-party service providers confirm their Personal Data Privacy and Protection practices are consistent with those applicable via our Digital Properties.

Any use of Personal Data by such Service Providers for the purposes other than performing business or operational function for 4shared and its Digital Properties is strictly prohibited.

b. Third-party advertising partners

We partner with third-party ad networks to display advertising within our Digital Properties. Our ad network partners use Web beacons and log files to collect data about your activities on our Digital Properties to provide you targeted advertising based upon your interests.

This data is collected, stored and disclosed in the pseudonymized manner and can not be attributed separately to identify or reveal a natural person's individual identity.

The use of cookies and beacons by our partners is not covered by our privacy statement. We do not have access or control over these cookies.

Within our mobile applications, we partner with third-party ad networks, including AdMob, MoPub, Facebook Audience Network and Pangle to display advertising.

Our ad network partners may use IDFAs, non-user related crash logs, IP address, user-associated performance data (e.g. app launch time, energy usage and hang rate) to collect data about your activities on our Digital Properties to provide you with targeted advertising based upon your interests.

This data is collected, stored and disclosed in the pseudonymized manner and can not be attributed separately to identify or reveal a natural person's individual identity.

The use of such data by our partners is not covered by our privacy statement. We do not have access or control over it.

You can reset your IDFA (Android) and/or discontinue our app access to your IDFA (iOS) anytime - directly in your device Settings.

c. Third-party targeted interest-based advertising data providers

Notwithstanding any other provision, we partner with third parties that collect information across various channels, including offline and online, for purposes of delivering more relevant advertising to you or your business.

Our partners may link the hashed or obfuscated personal information we share with them to the cookie stored on your browser or device, and they may collect information such as your IP address, browser or operating system type and version, and demographic or inferred-interest information.

Our partners use this information to recognize you across different channels and platforms, including but not limited to, computers, mobile devices, and Smart TVs, over time for advertising, analytics, attribution, and reporting purposes. Your data may be transferred outside of the country from which it was originally collected.

For more details on the collection, use and disclosure of Personal Data, and instructions on how to opt out of interest-based advertising, please refer to information provided below or visit websites of advertising networks and data providers:

Software Security

Customer data resides securely on Database servers behind multiple firewalls and is not accessible from the Internet. In order to access data, operators must utilize the application server, whose access is limited by strict security.

Confidential data, such as usernames and passwords, are secured through an encrypted connection (using 128 bit encryption).

For more details, please visit our 4shared Security page (/security.jsp).

6. Data Retention. Data Deletion Procedures & Mechanisms

4shared will not retain, use or process shared Personal Data, such as your email address, for longer than necessary to fulfill our business purpose.

Customer data is stored on our servers for the duration of an account, plus up to one year after.

We store non-personally intrusive data and the Personal Data obtained from the Use of our Digital Properties (log data), in a pseudonymized manner, up to one year in order to ensure that our Digital Properties function properly.

You can deactivate your account anytime - in your account Settings.

Upon your account deactivation request, you will have 30 days to restore your account data, if needed. In case no action is taken within this 30-day time frame, your account, including all files and folders in it, will be physically deleted within 2-3 days with NO option to restore them.

You can also enforce your data deletion from 4shared servers at any time - by sending the data deletion request to our Data Protection Officer at pi@4shared.com (mailto:pi@4shared.com).

7. Data Integrity, Purpose of Limitation

We process information in a way that is compatible with and relevant to the purpose for which it was collected as described above. To the extent necessary for those purposes, we take reasonable steps to ensure that any information in our care is accurate, complete, current and reliable for its intended use.

8. Reviewing and Updating Personal Data

4shared takes reasonable steps to ensure that information is accurate, complete, current, and reliable for its intended use.

For the Data you choose you provide us with, you may review, correct, update, or change your Personal Data, request that we deactivate or delete your account, or remove your Personal Data from our direct marketing efforts, at any time by emailing our Data Protection Officer at pi@4shared.com (mailto:pi@4shared.com).

For more information on how data retention and data deletion is handled by 4shared, please refer to Section 6 of this Privacy Policy.

9. Information Relating to Children

Our Digital Properties are designed for people 18 years of age and older.

4shared does not knowingly collect Personal Data from anyone under the age of 18. If 4shared is made aware that it has received Personal Data from someone under 18, it will use reasonable efforts to remove that information from its records.

10. Cross-Border Data Transfer

We transfer Personal Information across country borders, including to the United States of America and the Netherlands, by or on behalf of our company in accordance with this Privacy Policy (see Section 3 and Section 5 for more details).

We will apply this Policy to transfers of Personal Data from any other country or territory with a law that restricts the transfer of Personal Data, in addition to complying with any requirements imposed by such Laws (including the use of any mechanisms required for cross-border transfers to countries not having the same data protection standards than the originating country).

11. Legal Basis for Processing Personal Data of EEA and Swiss Individuals

4shared is committed to compliance and adherence to Personal Data privacy and protection laws, rules and regulations, including:

- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation);
- regulatory guidelines;
- any of the applicable self-regulatory guidelines.

If there is any conflict between the Terms of Use or other policies described in this Privacy Policy, the Policies covered in this Section shall govern.

11.1. Data Retention

Retention of personal information of EEA and Swiss individuals will be handled in accordance with 4shared Data Retention policy (as described above).

11.2. Accessing and Deleting Personal Data

EEA and Swiss individuals have the right to access the personal information that 4shared maintains about you, as that term is defined in EU data protection and privacy regulations, including GDPR principles, and you may be able to correct or amend that information if it is inaccurate or has been processed in violation of the GDPR principles, to the extent allowed by applicable law.

EEA and Swiss individuals have the right to:

- request access to and rectification or erasure of personal information;
- restrict the processing of personal information, object to processing, and/or exercise the right of data portability; and
- withdraw consent without affecting the lawfulness of processing and lodge a complaint with a supervisory authority.

To exercise this right, please send us a corresponding email inquiry at pi@4shared.com (mailto:pi@4shared.com).

For any requests or information regarding the rights set out above, please contact us by emailing us at pi@4shared.com (mailto:pi@4shared.com).

4shared is committed to resolving of complaints about our collection or use of your personal information. EEA or Swiss individuals with inquiries or complaints regarding this Privacy Policy should first contact 4shared at pi@4shared.com (mailto:pi@4shared.com).

11.3. Disclosure of Personal Data to Third Parties, Onward Transfer

4shared may transfer Personal Data elements of EU and Swiss individuals received to third parties, as described above in this Privacy Policy. The Personal Data disclosed will be used for the purposes set forth in this Privacy Policy.

You may request disclosure, notification of the intended purpose, correction, addition, deletion, and cessation of use or cessation of disclosure to third parties of your Personal Data by emailing us at pi@4shared.com (mailto:pi@4shared.com).

11.4. Notifying Third Parties about Personal Data Rectification, Erasure, Restriction

Where 4shared has disclosed Personal Data of its User to any third parties, and the User has subsequently exercised any of the rights of rectification, erasure or blocking, 4shared will promptly notify those third parties of the User's exercising of those rights. In no case 4shared shall be liable for the failure of any third party to comply with such User's request.

4shared is exempt from this obligation if it is impossible or would require disproportionate effort.

Where 4shared has made Personal Data of its User public, and the User exercises any of the rights as described above, 4shared will take reasonable steps to inform third parties that the User has exercised those rights.

11.5. Collection and Use of Sensitive or Special Categories of Personal Data

4shared does not knowingly collect, store or in any other way process Sensitive or Special Categories of User Data, such as: Personal Data, revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, trade-union membership; Data concerning health or sex life and sexual orientation; genetic data or biometric data; Personal Data of Children below the age of 18 years.

If 4shared is made aware that it has received (a combination of) such Sensitive Personal Data elements, we will use reasonable efforts to remove this Data from our records.

12. Legal Basis for the Processing of Personal Data of the U.S. Residents

4shared monitors all changes in the privacy legislation and is committed to compliance with Personal Data privacy and protection laws and regulations of various US states, including California Consumer Privacy Act (CCPA), California Privacy Rights Act (CPRA) and others ("U.S. Privacy Laws").

If there is any conflict between the 4shared Terms of Service or Privacy Policy, the Policies covered in this Section shall govern.

12.1. Personal Data Rights of the U.S. Residents
